I am thrilled to have a copy of this book in my hands once again. It is the text I used in High School. For me, it is the definitive reference for common American English spoken by educated people during the '40's, 50's and 60's. As my English was refined during those decades, "Warriner's" is my first choice for grammar and syntax.

Around Shakespeare's time, when spelling was first becoming standardized, the spelling of most English words was mostly phonetic—or at least more phonetic than it is today. For example, English speakers did once pronounce the k at the beginning of words like knife and knee. But even though no one has pronounced knee as "kuh-nee" in centuries, we still hang on to the old spelling.
