Billy Joel Storm Front

Storm Front is the eleventh studio album by American singer-songwriter Billy Joel, released on October 17, 1989. It was Joel's third album to reach No. 1 in the U.S. and features "We Didn't Start the Fire", a fast-paced song that cataloged a list of historical events, trends, and cultural icons from after World War II (when Joel was born) until 1989, which was Joel's third Billboard No. 1 hit.

Storm Front (album) - Wikipedia

Storm front was released in 1989 and represents a different style to his easier work such as "The Stranger" or "An Innocent Man". The production is much more lush and it feels more like a studio only album.

Why is this more loot when many Billy Joel records are less than \$10, \$5, or even in dollar bins? This was one of Billy's last hit records of new material and it was released in late 1989, when a lot of people, especially Billy's fan base, had switched to CD or even cassettes. Vinyl was on its way out and CDs and Tapes were all the rage. Includes We Didn't Start the Fire., so that's all you ...
