All States DMV Driver License Handbooks & Manuals

The main ingredient of defensive driving is attitude. To be a defensive driver, you must always drive with genuine concern for your own safety and that of others. Defensive drivers are not quick to lose their patience or temper, but are not timid or overcautious either. They are confident and make good decisions.

Road safety defensive driver`s driving training manual

Let me chime in to support the idea that I believe the Chinese drivers are trained to practice much more defensive driving than the typical American driver. I also believe that they are trained to practice much more offensive driving as well. Here in Beijing the drivers are more and more following the rules.
