Exam 70-662: TS: Microsoft Exchange Server 2010, Configuring

A Microsoft Certified Technology Specialist certification proves your skills on a particular Microsoft technology, such as the Windows operating system, Microsoft Exchange Server, Microsoft SQL Server, or Microsoft Visual Studio. MCTS certifications are no longer in development. However, your MCTS certification will remain valuable as long as companies are using the technology on which it certifies. Please check the retired exams and retired certifications pages for specific retirement dates.
