LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Rise Nightshade Prequel 2 Andrea

What it's about: Rise is the second installment to the prequel series from the Nightshade world, and I recommend reading the first one, Rift, though these can be read before the Nightshade books. Rise jumps right into the action and throws readers into Ember and Barrow's world as they attempt to escape and save their Order.
