SparkNotes: Frankenstein: Study Guide

The eight-foot-tall mass he creates is monstrous: his skin barely covers his muscles or bones, his lips are set black and straight, and his bright yellow eyes barely escape the shriveled skin around them. Horrified, Frankenstein abandons his grotesque creation. When the creature awakens into an unwelcoming world,...

The first year I taught "Frankenstein," I was 23 years old and knew little about the novel — or anything else, for that matter. The edition I chose for my students did not help: It had no notes, no biographical material, no supplemental readings, no appendixes, no chronologies and no historical, scientific or political context. However, at age 23 I was mostly untroubled by my ignorance.
