It's easy to search
Wikibooks by topic,
and there are separate
sections for recipes
and childrens'
textbooks. You can
download any page as
a PDF using a link
provided in the left-
hand menu, but
unfortunately there's
no support for other
formats. There's also

handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
