Richci Feb 2nd 2011 19:53 GMT. In my view, an MBA is a tool for personal development. Good MBAs don't focus on models and finance, they focus on developing perspective, critical thinking and personal reflection. Whether you are best suited for a particular role is a function of you and the other candidates.

Think twice | Which MBA? | The Economist

Advertising MBA Specializations. Sometimes it is valuable to list your MBA area of concentration after your name or on your business card. Examples of areas of concentration include an MBA in accounting, health care administration, international business, finance or marketing.

ONLINE MBA Program Introduction by Dr Safia Farooqui

If a business-school degree is most of what you have to offer as a job candidate, and you need one that tags you as among the best and the brightest, then an online MBA may indeed be the wrong choice. You're best off seeking a brick-and-mortar institution, preferably one with plenty of ivy on the bricks.

What's an Online MBA Worth? - CBS News

Place it under the education header on your resume. Like work experience and job history, higher education degrees and certificates typically follow reverse-chronological order. You should list the MBA first, above your undergraduate degree. Include information on the school where you enrolled,...
